Prospero, the Duke of Milan, usurped of his position and power by his brother, is banished along with his young daughter Miranda, to a magical island full of mysterious creatures. For twelve years, Prospero waits and hones his magical skills, until a sail appears on the horizon, with a ship carrying his past enemies. Creating a magical storm, he wrecks the vessel and washes those that have wronged him – and some who have saved him – upon the shore. When they wake, they find themselves lost on a fantastical island where nothing is as it seems. **There are 14 roles for ages 13- 19, this show is single cast.**
